

HOW IT WORKS:

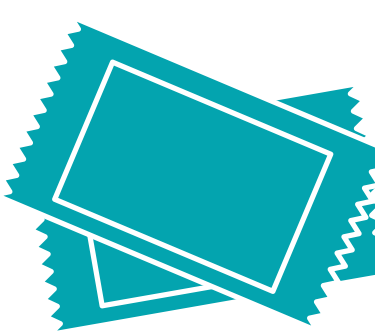

Activate the discount by registering your card at stagesource.org/COF22

Contact the theater's box office to determine the availability of tickets. Do not call StageSource for tickets.

Identify yourself as a Circle of Friends card-holder to receive two tickets for the price of one.

When picking up your ticket at the box office, they will cross their theater off your card. This offer is valid once per participating theater each year.

To view company policies & box office contact information, visit STAGESOURCE.ORG/COF22

All tickets subject to availability. Policies vary across theatres. This card expires September 30, 2022
